Description:

The greatest thing a man can do in this world is to make the most possible out of the stuff that has been given him. This is success, and there is no other. Orison Swett Marden Such gems of knowledge are aplenty in the authors books and these books were written long before the modern Gurus descended! In the Authors own words this Book teaches that man need not be the victim of his environment, but can be the master of it; that there is no one outside of him which determines his life, his aims, that the person can shape his own environment, creates his own opinion, that the cure for poverty, ill health and unhappiness in bringing ones self through scientific thinking into the pious union with the great source of infinite life of opulence of health and harmony.
